

# Notice of Guangxi Fenglin Wood Industry Group Co.,Ltd. for Purchasing Supervision of Wooden Raw Materials

2019 3 1

100%

To protect and maintain orderly use of forest resources and prevent the wooden raw materials supplied through illegal channels and by violation of laws and regulations to our artificial board manufacturers, we promise, from March 1, 2019, to discontinue the procurement of some wooden raw materials delivered through unidentified channels and request the timber suppliers to offer certificates proving that the timber they supply is 100% qualified.
